FAITHFUL UNTO DEATH

I count it a privilege to have been born into a home with Christian parents and grandparents. I do not remember my first day at Sunday School or Church, for I was a mere babe in arms when I first 'heard' the gospel.

No doubt it was because of my deeply religious upbringing that I early felt the weight of sin on my heart. However, I sat through a number of 'Revival Meetings' and 'Invitations' before I had the courage to make a public confession. Finally, at the age of eleven, I accepted Christ as my Saviour, for I was unable to bear the heavy load any longer. In this experience I felt a terrific relief of sins forgiven. There was no doubt whatsoever, nor has there ever been in my mind, but that initial experience of salvation was genuine.

My experience in the following years was not always on that high plane of living. Several times I made fresh commitments to the Lord, only to cool off in my zeal for Christ.

Trying to pin-point the reasons for the 'coolness' which too often crept between myself and my Lord, I concluded that insufficient food (i.e. private devotions) invariably resulted in a lean Christian experience. When my soul was ill-fed, myoid nature was too weak to resist all the temptations with which I was faced.

Toronto Bible College has strengthened my faith and confidence in God, immeasurably. I have learned not only the necessity of staying close to Christ, but the blessedness of feeling His guiding hand regarding life's service for Him. Foreign Missions was always for someone else, but not for me, before I came to Toronto Bible College. Maybe it is still meant for someone else, but I'm giving the Lord a chance to use me wherever He wishes, in this world of His.

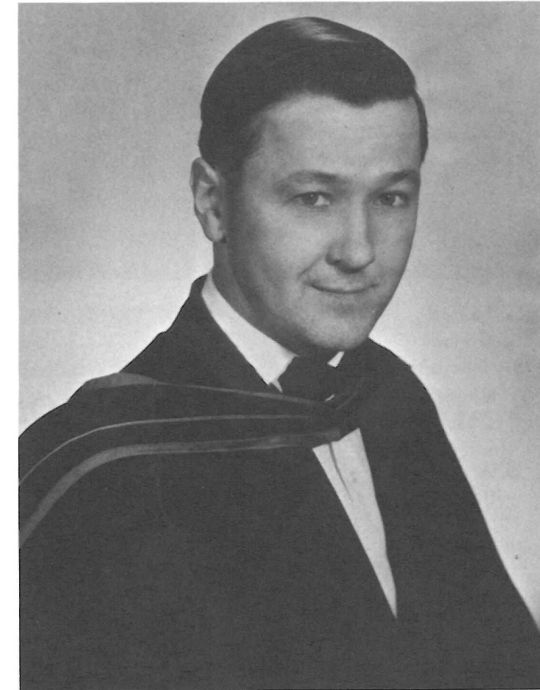

It is my sole purpose to remain faithful unto death, to the One who conquered death for me. I have yet a lot to learn, and a lot of areas to perfect for my Lord, but by the help of God I trust that I shall be 'more than conqueror through Christ'.

Third Year Testimony ('59)

Merlin Grove

IN MEMORIAM

The Reverend Merlin Grove, B.Th. '59

On July 10, 1960, Merlin Grove and his family sailed to Somalia in East Africa to serve the Lord Jesus Christ with the Somalia Mennonite Mission. Just two years later, on July 16, 1962, Merlin was stabbed to death by a Muslim fanatic as he was registering children for the Christian school. The sorrow felt in his loss by his family, friends, and fellow-workers is deep indeed, and yet there is rejoicing in God, who is using Merlin's witness even in death to bring glory to His name. We dedicate this year's Gateway to the memory of Merlin, and to all our Missionary Alumni who share his desire to magnify Christ, 'whether it be by life, or by death.'

RECENT FACULTY ADDITIONS

R. ALLAN KILLEN, B.A., D.Th. - In the summer of 1962, Dr. Killen was appointed to the new post of Executive Vice-President and Dean of Faculty. He comes to us with a wealth of academic and pastoral experience. Born in Edmonton, he went to the United States for his B.A. degree from Wheaton College, B.D. degree from Faith Seminary, and M.Th. degree from Dallas Seminary. In 1956 he earned his D.Th. degree from the Free University of Amsterdam. He has held pastorates in Pa., Missouri, and Alberta. From 1953 to 1957, Dr. Killen lectured in Apologetics and Theology at Faith Seminary, and from 1957 to 1962 was Theology Professor at Covenant College and Seminary (St. Louis). Dr. and Mrs. Killen have two sons.

ROBERT B. STRIMPLE, B.A., B.D. - In 1961, the chair in Theology became vacant, and in the fall of that year Mr. Strimple accepted the invitation to join the faculty in that department. Born in Delaware, he attended the University of Delaware, where he became President of the local I.V.C.F. chapter. He was awarded the B.A. degree with distinction in history, and the Phi Beta Kappa key. Later he attended Westminster Theological Seminary, where he received his B.D. degree and did postgraduate work under Professor John Murray. Mr. Strimple is married and has two children. His love for the Word and for Missions will prove to be of inestimable value in his ministry at Toronto Bible College.

JAMES HUGHES, B.S., S.T.M., Ph.D. - Dr. Hughes came to Toronto Bible College in the fall to fill the vacancy in Church History. He too is an American, from Lima, Ohio, and an ordained minister of the Evangelical Presbyterian Church. He received the B.S. degree from the University of Cincinnati and the B.D. and S.T.M. degrees from Faith Theological Seminary. From 1957 to 1962, Dr. Hughes was in Europe, assisting Dr. Francis Schaeffer in his work with university students in Switzerland the first two years, and then going on to the University of Glasgow for graduate studies in Hebrew, receiving the Ph.D. degree in July, 1962. He is married and has two sons, James 9, and Jonathan 7.

RUTH BAILEY, B.A. - Our Christian Education Course has long needed a teacher trained in this field. God brought Canadian born Miss Ruth Bailey to us this year to fill this need. She is a member of the Christian and Missionary Alliance, and studied at Nyack Missionary College. She then went to Wheaton College, where she earned her B.A. degree in Christian Education. She has added to her academic preparation practical experience, in writing Intermediate Sunday School lessons and serving as Sunday School and Youth Secretary of the Eastern and Central Canadian District of the C. & M.A. She brings a deep devotion to her Lord and a love for youth to all her labours here.

"THY WORD HAVE I HID IN MY HEAR T THAT I MIGHT NOT SIN AGAINST THEE"

Psalm 119: 11

We're here!! Why did we come? It wasn't just a matter of chance or luck. Rather, God has directed each of us, by various means, to Toronto Bible College. Through prayer, the Bible, and other circumstances, the Holy Spirit has guided us to T.B.C.

To guide me here, God used a special instrument. One day last year while reading the book, "The Christ-life for The Self-life," the Lord spoke clearly to me. I realized that I was like the cars of a train without a locomotive, absolutely powerless in myself. However, God had provided an all-sufficient source of power, the Lord Jesus Christ. Suddenly I was aware of the need of a firm, unbroken track on which to run. This was the Word of God, the Bible. But what good is a piece of track here, and a twisted piece there? That is how I knew my Bible, a verse here, and a chapter there. Now I am here at Toronto Bible College to learn more of Him and His way, praising my dear Saviour for His immeasurable love and guidance.

Yes, God has led us to T.B.C. in different ways, but here we share a common purpose and goal. • This our prayer rings forth to God, "Teach me, O Lord, the way of Thy statutes; and I will keep it unto the end."

"Seek and ye shall find, knock and it shall be opened unto you." The high calling of being a child of God leaves the Christian with the solemn duty of pursuing the things of the Lord. One of life's precious experiences is seeking to know the Saviour better through the study of His Word. This high objective is the basis for our studies at Toronto Bible College. May what we learn here be used for God's glory in the years that lie ahead.

II Timothy 2:15.(R.V.)

Books to be read are piling up higher and higher; each assignment is crying out for immediate attention; and twenty-four hours a day seem too short - such is life as we find it in our second year at Toronto Bible College.

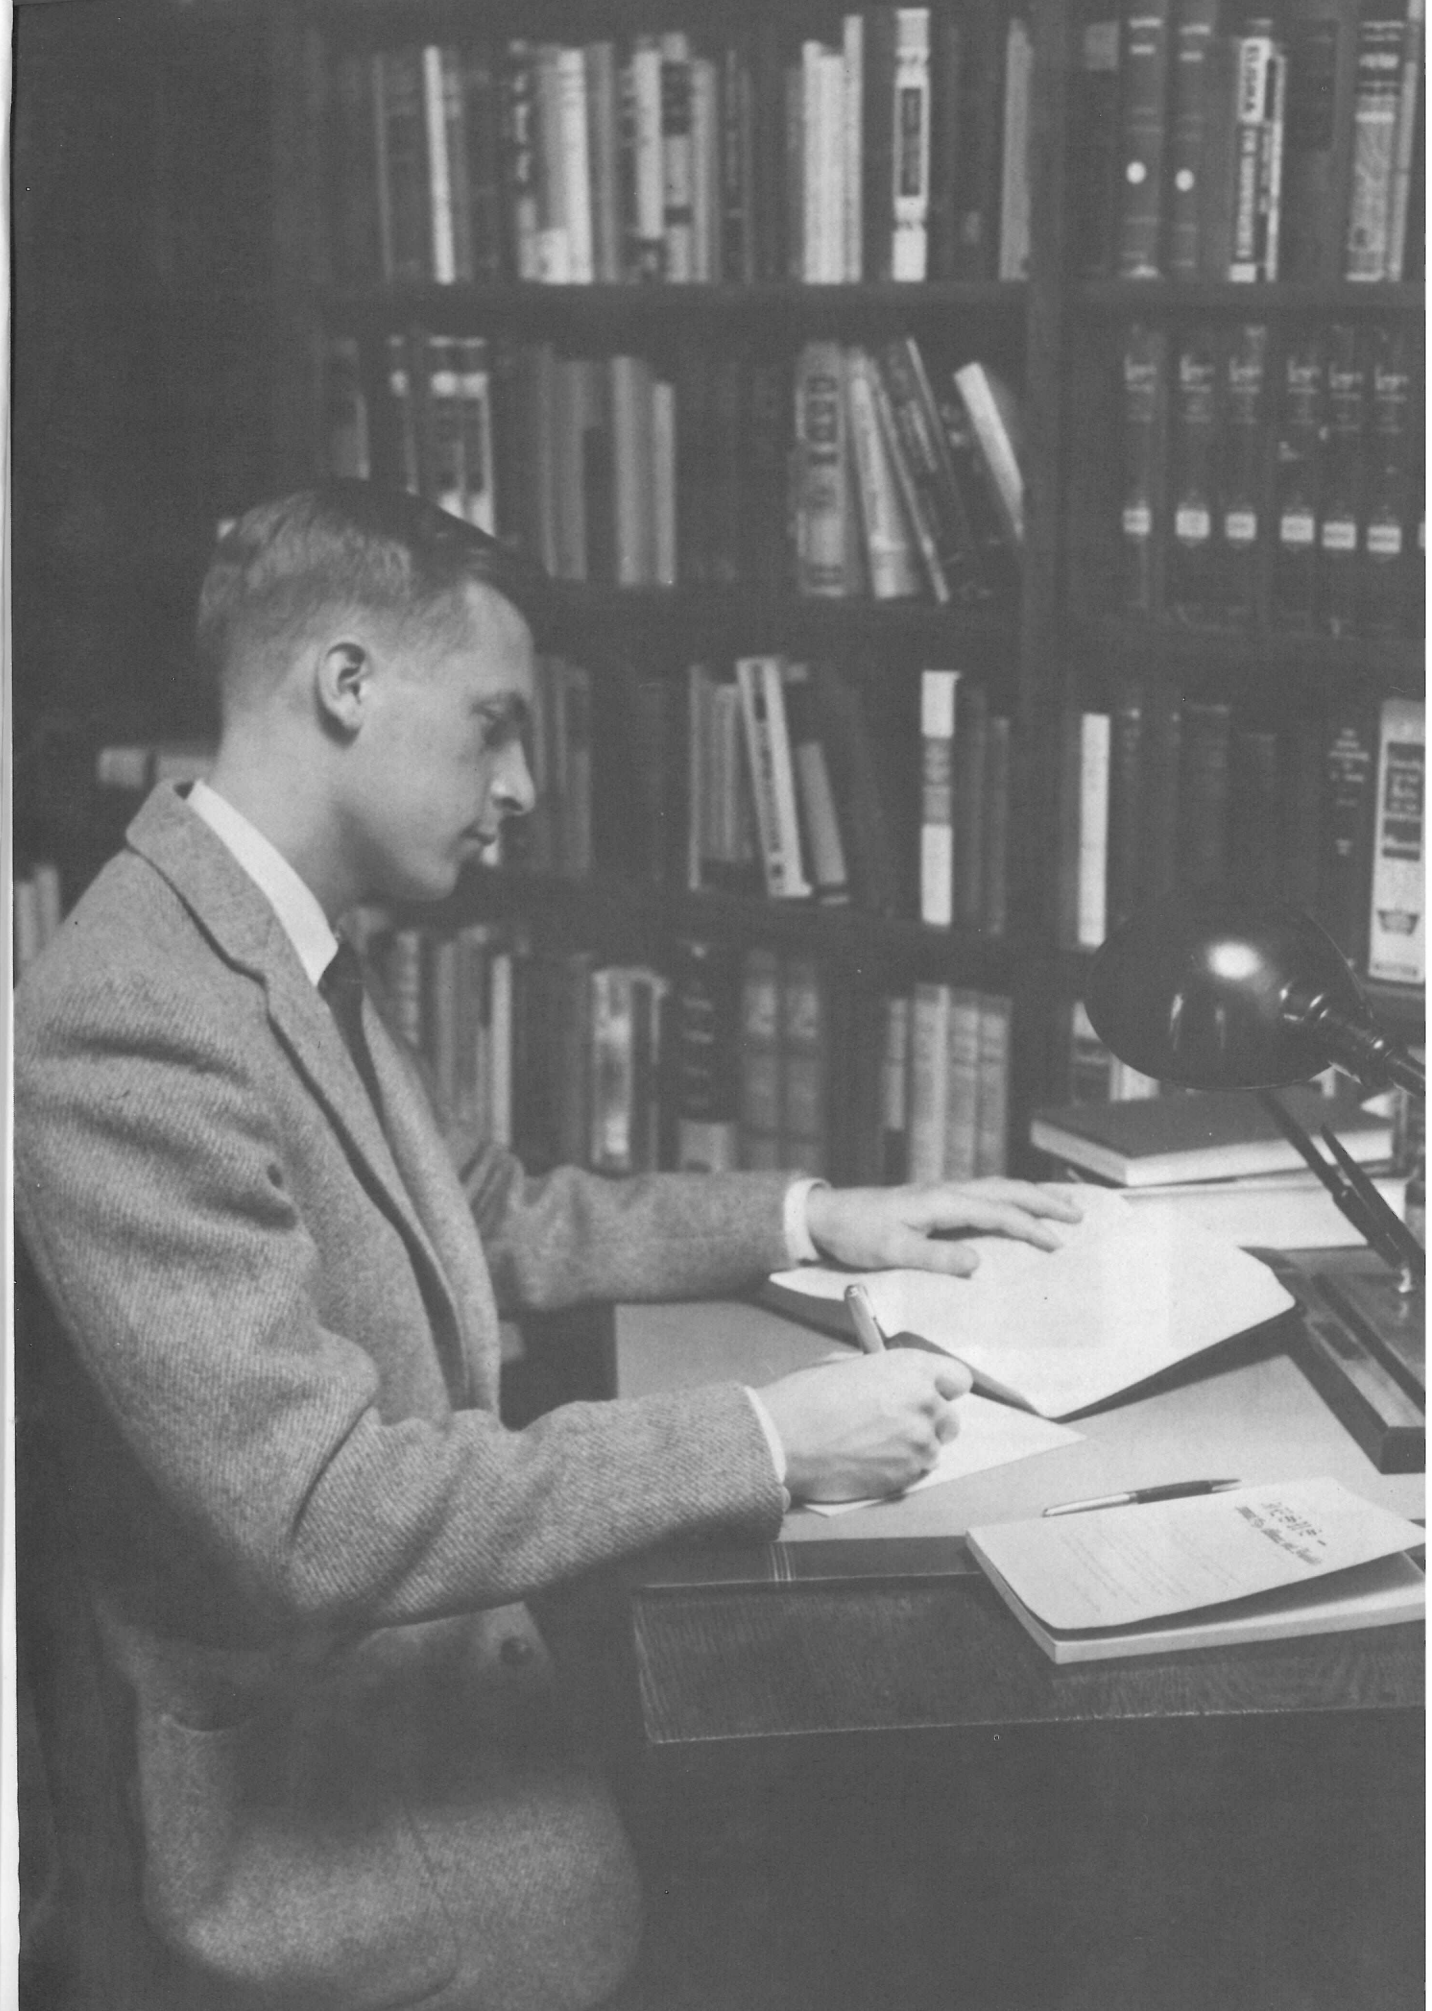

Often we would ask ourselves: "What is our purpose in coming to Toronto Bible College? Why should we come here to stand this sort of strenuous life?" The inevitable answer would be, "to train for His service." But how? Just to have a grasp of the Bible and the doctrines therein?

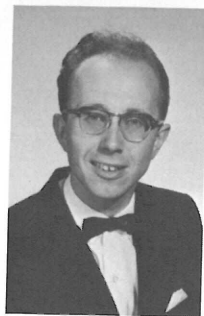

II Timothy 2:15 (R.V.) gives us the answer. The only qualification for the ministry is "APPROVED UNTO GOD." This God-approved life requires more than knowledge - it involves trials. In Greek the word "APPROVED" implies "being proved after trials." Every trial we face at T.B.C. is God's means to challenge us to a fuller commitment to Him and a greater trust in His all-sufficiency.

We are convinced that the only life that meets with God's approval is the life of Christ. This is our prayer, that as we continue our studies at Toronto Bible College, God's Word will so reprove and remould, break and build our lives, that the life of Jesus Christ may be fully formed in us.

"HOLDING FORTH THE WORD OF LIFE"

Philippians 2:16

It's almost here!! Three years have sped by and graduation is upon us. What does a graduate think of at this time? He thinks of his coming to Bible College, what it has done for him, and how he will make use of his training in the future.

Coming to Toronto Bible College meant farewell to friends and family, but the Lord certainly proved Himself an ever present friend; and there is a bond of love and fellowship among the students that few families could produce. Leaving positions of steady income was also a new step for many, but Philippians 4:19 has been our confidence and our experience: "My God shall supply all your need according to his riches in glory by Christ Jesus."

What has Toronto Bible College done for us? Its life and fellowship has aided our growth and development of Christ-likeness. The lectures have strengthened us in the faith. And field work and committee responsibilities have afforded opportunities to work together and to gain experience in many aspects of Christian service.

What do we intend to do with all that the Lord has abundantly given to us here? By the grace of God, may we say that we are zealous to go out "holding forth the Word of Life" because "the love of Christ constraineth us."

"David served his generation by the will of God." (Acts 13:36)

We believe that our calling to study at Toronto Bible College has been in the will of God. Our preparation has a definite goal in view: that *we* as David of Old, may go forward to serve our generation.

It is important that we be adequately prepared to communicate effectively the gospel of Christ to our contemporaries. Because this is such a great honour, we must remind ourselves that we are but servants.

We thank God for this year because He has more fully equipped us through our academic and practical training, to "serve our generation by the will of God."

CABINET

"But the Hand of the Lord was strong upon me." (Ezekiel 3:14)

A little boy once drew a picture of a hand in response to his school teacher's instruction to "drawing something for which he was thankful."

The teacher asked wonderingly, "Why such a picture?"

The little lad answered, "It is your hand, teacher!"

Can we marvel and rejoice with David (Psalm 139:5) always that God's Hand IS upon us and it is STRONG?

Father, under your strong Hand we can rest assured. Mould us and make us after Your will. Your Love constrains us to go and reach out to others, may your Love be felt in our hands.

 TO the new nations - and to the old
 TO the millions who are learning to read
 TO the world's children

TO the blind
 TO the members of the Canadian Armed Forces

 TO those who require special Scriptures

The Bible Society, as the agency of all the Churches, is responsible for providing the Scriptures required by the Missionaries, the Churches and the people of the world.

The Bible Society can only meet this challenge with the help of all Christian people.

10 MILES FOR A DRINK OF WATER

Africans walk 10 miles to Bebalem for a drink at the well. If water for physical needs is so precious, how much more the water of life. Missionaries carry this wafer of life 8,000 miles to them.

Surely we at home can help both Africans and missionaries with our prayers and our gifts.

The Chad Republic presents tremendous opportunities for consecrated young people to invest their lives, and dedicated older people to invest their money to the glory of God. Write for full details.

Carrying on Missionary work in INDIA, BOLIVIA, and ANGOLA, among a population of about 8 million people--a well-organized and intensive program of medical, educational, radio, agricultural, literary, and village evangelism; also a strong emphasis on the development and training of consecrated native leadership. A special work is now being carried on amongst 225,000 Angolan refugees in the Congo Republic - Leopoldville.

In the three mission fields there is a staff of 140 earnest Canadian missionaries, and hundreds of capable and dynamic national pastors and other Christian workers, and a total of about 45,000 baptized believers in 193 churches. There is an urgent need for more missionaries, especially in India and Bolivia, to win for Christ the unsaved millions, who are showing an unprecedented interest in the gospel.
